PRELIMINARY AMENDMENT

Honorable Assistant Commissioner of Patents and Trademarks,  
Washington, DC 20231

SIR:

Prior to examination, please substitute the enclosed formal drawings of Figures 1 and 2 for the original informal drawings. A Request for Approval of Amendment to the Drawing is enclosed, with the reference numbers added to Figures 1 and 2 and shown in red on the accompanying prints of the drawing. Also shown in red in Figure 2 on the accompanying prints of the drawing are the d and q axes.

Entry of this Preliminary Amendment is earnestly solicited.

Respectfully submitted,

*Marvin Snyder*
